

MIXED SYNTHETIC RECORD

Native page

Page one contains searchable native text and section 1983 analysis.

Page two is an image-only exhibit requiring OCR.

SCANNED SYNTHETIC OPINION

The record must be reviewed as a whole, including contrary authority.

A scanned source remains evidence only when its page location is preserved.

Citation: 999 F.4th 201, 205 (Synthetic Cir. 2026).
