

SYNTHETIC COURT OF APPEALS

No. 26-1000

A court may grant relief only when the movant establishes each required element.

The inquiry is objective and must account for contrary authority.

42 U.S.C. § 1983 supplies a cause of action; it does not create substantive rights.

Citation: 999 F.4th 101, 107 (Synthetic Cir. 2026).

Authority	Treatment
Synthetic v. Record	Followed
Example Act § 7	Applied

SYNTHETIC COURT OF APPEALS

Discussion - continued

We therefore affirm the judgment while preserving the narrower exception.

The exception applies only when the record contains verified primary authority.

1. Pinpoint citations must identify the exact passage relied upon.
